Dear Mr. Harrington:

We have now completed our initial review of your complaint against Dr. William J. Fyfe of Denver, Colorado. We have decided that we do not have enough information to make a decision regarding whether to open this matter as an ethics case, and need information from Dr. Fyfe to make that determination. Once we have Dr. Fyfe's response, we will proceed with determining whether there is cause for action. (See Rules and Procedures, Part V, Section 5.)

Thank you for your patience.

Sincerely,

A handwritten signature in cursive script that reads "Stephanie R. Brasfield".
