Re: Request for Investigation of Glenn E. Porzak, 2002-1036

Dear Ms. Lewis:

I'm writing in regards to your complaint against Mr. Porzak.

The scope of this office is limited to prosecuting violations of the Colorado Rules of Professional Conduct through attorney disciplinary proceedings. To commence an action against Mr. Porzak based on your complaint, we must be able to prove he violated one of those rules by clear and convincing evidence.

I reviewed your March 11, 2002 letter and all the attached documents. My review, however, found no basis for proving any rule violations by Mr. Porzak in your case. Therefore, I have concluded that the information you supplied does not set forth facts which would warrant regulatory review or constitute grounds for attorney discipline. For these reasons, our office is closing this matter and will take no further action on your complaint.

Thank you for taking the time to contact us.

Sincerely,

A handwritten signature in cursive script that reads "Louise Culberson-Smith". The signature is written in dark ink and is positioned above the printed name of the sender.
