RE: Office of Attorney Regulation Counsel

Dear Mr. Jacobson:

I am writing concerning my pending grievance against Louise Culberson-Smith, assistant regulation counsel, and regarding my prior (and pending, unresolved) grievances against Madeline Wilson.

A few weeks ago, I spoke with David Stark by telephone. He confirmed that this matter had been referred to the Committee pursuant to the Protocol. I asked if the Committee might find it helpful if I provided an electronic compilation of the entire record and he answered in the affirmative.

Please find attached hereto an "autoRun" compact disk containing a PDF compilation of the entire record, as material to the pending grievance. The record includes, but is not limited to, every memorandum exchanged between the Attorney Regulation Counsel and myself since the year 2000.

The PDF document on the CD contains hyperlinks, which appear as blue-underlined text. Clicking on underlined blue text in the document will open the cited exhibits or case law in new windows. I recommend Adobe Acrobat Reader® version 7.0 or later (earlier versions do not support hyperlinks). If you do not have version 7 installed on your computer, you can install it from this disk or download it at no charge from www.adobe.com (follow the links for Acrobat Reader®).¹

Most respectfully,

Sean Harrington
