Re: Request for Investigation filed by Sean Harrington, 2007-2938

Dear Ms. Wilson:

Pursuant to Colorado Rule of Civil Procedure 251.9, Sean Harrington filed the enclosed request for investigation of your conduct.

At this point, I am unable to determine whether further proceedings under C.R.C.P. 251.10 are warranted. Therefore, please review the Colorado Rules of Professional Conduct, particularly **Colo. RPC 5.3 and 8.4(d)**, and provide your position on this matter in writing within twenty (20) days of the date of this letter.

Reference to the foregoing Rules is intended to facilitate your response on this matter and is not intended to be an exclusive list of the Rules implicated. Please be advised that other Rules may be implicated as we conduct our review.

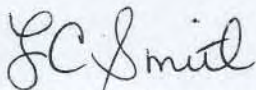

Please be brief (preferably no more than five (5) pages, if possible), but **be sure to fully address Sean Harrington's allegations and the ethical rules noted above even if it causes your response to exceed the preferred page limit.** We may request additional information or documentation if we find it necessary to do so in the course of reviewing Mr. Harrington's complaint.

One copy of an appropriate response, with exhibits (if any), must be filed with this office. Additionally, please mail a copy of your response and exhibits to Sean Harrington and send a certification to this office that you have done so. Following our review of your response and any reply by Mr. Harrington, we will notify you if further proceedings must be undertaken.
