RE: My request for documentation I am supposed to be getting from Shelley Bresnick.

To Whom It May Concern:

I have not received word on whether or not action is being taken with the fact I have not received the requested documentation from Shelley Bresnick.

Please notify me what the status is of this situation. I really need to get the information I am requesting from her as soon as possible. It should not be this hard to get information, which should have been turned over from the beginning per CO law.

Sincerely,

Troy Kramer
