**RE: Follow up on status of Loretta Hansen-Higa's hearing.**

Dear Ms. Greenfield:

The Colorado State Board of Social Work Examiners Board, voted to initiate disciplinary action against Ms. Hansen-Higa in case #2006-004280 on Sept. 26<sup>th</sup>, 2006.

I initially filed my original complaint on April 24<sup>th</sup>, 2006; about a year ago next month. However, I have yet to received any information regarding these disciplinary hearings against Ms. Hansen-Higa.

Furthermore, my multiple requests for information regarding the status of these disciplinary proceedings concerning unethical behavior perpetrated by Ms. Hansen-Higa have been ignored to date.

It looks as though your office employs stall tactics, withhold information regarding status of complaints and try to drag the process out as long as possible in the hopes that the complaint will be forgotten. If this isn't the case, please provide, as soon as possible, an update, as status a hearing date or something, which shows your office is on top of this extremely important matter.

If your office is unable or from what it looks like, unwilling to provide as status of this disciplinary hearing, please send me the contact information for Mr. Laurence James, Esq., whom has been assigned to this case per your office's letter on Sept. 25<sup>th</sup>, 2006 so that he can provide information of status.

Best wishes,

Troy Kramer
