

Dear Pat:

Thank you for your time, today. Please find attached hereto a facsimile copy of my June 23rd, 2006 memorandum & attachment, as well as a memorandum from the U.S. Attorney's Office, a memorandum from the Texas State Bar Chief Disciplinary Counsel (regarding conduct occurring in Denver, but affecting interests in Texas) and a "Table of Claims & Defenses" regarding Ms. Wilson's false claims. I believe that the criminal offense occurring under Denver jurisdiction are: (1) first degree perjury; (2) Attempt to Influence a Public Servant (18-8-306 -- includes multiple attempts to influence a State psychiatrist at CMHIFL in Denver with deceit and deception (please ask me to provide the documentation regarding this under separate cover, because it contains State psychiatric hospital records, which are statutorily confidential), as well as the latest two restraining order applications); (3) false reporting (18-8-111 -specifically, the allegations of a death threat against her and her children via facsimile); and, under the jurisprudence of People v. Schuper, __P.3d__ (Colo.App. No. 04CA1224, May 18, 2006) (4) Offering a false instrument for recording (18-5-114(1)).

Please feel free to contact me at: 508-361-2018 and/or at

Most Respectfully,
Sean Harrington
