**RE: Harrington/Ryan
Case No. 99 DR3717
Special Advocate Investigation**

Dear Judge Tidball:

Attached you will find a list of the documents I have received from Sean Harrington. Reviewing these documents has been a difficult and labor intensive task as they are replete with footnotes, addendum and legal terminology. The sheer volume of these documents has led me to conclude that Mr. Harrington should be responsible for the fees incurred. He disagrees. He believes that the order reads that the fees for the Special Advocate investigation should be split fifty/fifty. A statement is attached that shows current charges.

Please let me know at your earliest convenience, as I would like to move forward in this matter during the spring 2004.

Yours Truly,

Bill J. Fyfe, Ed.D.
