**RE: Child and Family Investigator**

Dear Rhonda:

The judge has ordered that I conduct a Child and Family Investigation (CFI). Please forward your retainer (\$1,250) and call to set an appointment with Maria. Your grievance complaint is likely to be denied because the Board does not have jurisdiction.

I am prepared to conduct an impartial investigation into recent events in the family.

Thank you

Yours Truly,

Bill J. Fyfe, Ed.D.
