Re: Your letter of March 27, 2001

Dear [REDACTED]:

This is to acknowledge receipt of the above-captioned letter.

Your letter states that you have the services of an attorney. I would recommend that you work with your attorney on your case. As my earlier letter to you, dated March 12, 2001, stated, this office does not have the authority to assist you.

Thank you for your consideration.

Sincerely,

Richard A. Wehmoeter
Executive Director and
General Counsel
