---

Counsel for appellant has now entered an appearance in all three captioned cases. Therefore, the Court GRANTS the motion to share the record in these three cases, but DENIES all other pending motions with leave to renew if counsel deems appropriate.

Upon consideration of the response to the Order to Show Cause in case 04CA1161, the Court ORDERS that the appeal shall proceed solely as to the district court's order of May 4, 2004, ordering appellant to pay fees to the special respondent. The Court will not consider issues arising from any other order of the district court. The motion for attorneys fees is DENIED. The complete record for 04CA1161 is now due 30 days from the date of this order.

Appellant shall also show cause why the appeal in 04CA1986 should not be dismissed without prejudice for lack of an appealable order, in writing and within 14 days of the date of this Order.
