Dear Mr. Harrington,

Thank you for your correspondence regarding public access to court records. We share your concern that a proper balance be maintained between the public's access to court records and the privacy rights of individuals involved in sensitive child custody cases.

We have reviewed the order from the Chief Judge of the Jefferson County District Court. This office, however, does not have the authority to opine on its validity or otherwise countermand such an order.

Thank you again for your interest in these important matters.

Sincerely,

DANIEL D. DOMENICO
Solicitor General
