PETITIONER'S REQUEST FOR FORTHWITH HEARING

The petitioner, by James C. Coyle, Assistant Regulation Counsel, hereby requests a hearing on the stipulation, agreement and affidavit consenting to an order of injunction filed contemporaneously herewith, and as grounds therefor states as follows:

1. On or about September 24, 2001, the respondent filed motion to accept stipulation, with a signed stipulation, agreement and affidavit consenting to an order of injunction attached thereto. The people have filed a response, setting forth its understanding of the respondent's action, particularly as it relates to her consent to an order of injunction.

3. Counsel for the petitioner believes that a hearing on the motion, response and stipulation may be fruitful in case the hearing master has any questions or advisements concerning said stipulation. This would also provide an opportunity for the hearing master and the parties to determine whether or not other deadlines should be vacated in this matter.
