To Whom It May Concern:

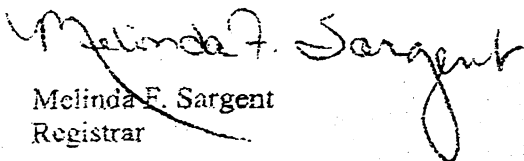

I have researched the records of matriculated students at Crossroads College, formerly Minnesota Bible College. That research gave no indication that Edwin Shockney received a degree from our college in 1985 or any other date. In fact, I cannot find that he attended Crossroads College/Minnesota Bible College at any time.

Crossroads is a small college of about 100-130 students. I have been in charge of student records since my employment began for this college in 1983 and I do not remember this individual.

Crossroads College became the repository for academic records for Dakota Bible College when that institution closed a number of years ago. I checked those records also and did not find any information relating to Mr. Shockney's matriculation to or graduation from that institution.

Please let me know if I can be of further assistance.

Sincerely,

Melinda F. Sargent
