ORDER OF TRANSFER	

THIS MATTER CAME BEFORE the court upon the Motion of the Respondent Pro Se to have this case transferred to Division 6. This Court had previously entered an Order setting aside the Parenting Time provisions of the Separation Agreement and also an Order restricting the father's contact with his minor child. The issue to be decided by this Court on November 21, 2002 was parental decision making and parental responsibility. Since those issues were not properly decided at the uncontested Final Orders they can only be decided by a Magistrate with the written or verbal consent of the parties. One could argue that Respondent waived his right to be heard by a District Judge when he appeared in front of the Magistrate at the past two hearings but in the interest of finality this Court finds he did not.

Therefore this matter is transferred to Division 6 for all pending Motions and hearings. The hearing in Division V on November 21, 2002 is vacated. All prior orders remain in effect until changed by Division 6

If the Respondent wants a hearing regarding parenting time with his child, he needs to properly set this matter in Division 6.

SO ORDERED THIS DATE: Nov 15, 2002

BY THE COURT

 Magistrate Robert C. Erler
